\$1,000 PRIZE NOVEL

No book published this year will afford such delicious interest for hours of summer leisure and travel.

What "The Independent" says:—"Once again New York's fashionable society quarterly volume, 'Tales from Town Topics,' has made its appearance. The tales are spicy and the topics inimitable. Some of the tales skirt along the very edge of danger, but a firm hand holds them back within the bounds of a wholesome sense of propriety."

All novels and books stand at price, 50 cents, to TOWN TOPICS, 21 West 23d Street New York.

2281 parts three months' trial subscription to Town Topics and you will get any book number or Tales from Town Topics free.

Town Topics \$1 per year.

Lib. rate club offer: Town Topics and "Tales from Town Topics" will both be sent one year for \$4.

Town Topics, the great 32 page weekly, is universally recognized as the most complete weekly journal in the world.

Its "sundries" columns are inimitable. Its society news, especially of the doings of the 602 of New York, Boston, Philadelphia, Chicago, and all over the world, is not equalled by any newspaper. Its Financial Department is authority with all bankers and brokers. Its "Amid and Afloat" makes it the most interesting paper for all lovers of sport—racing, foot ball, rowing, shooting, fishing, etc. Its "On the Turf" excels all other racing news. Its burlesques, poems and jokes are celebrated. Its stories are by the best writers—among them Annie Elives, F. Marion Crawford, Julian H. Sturges, Edgar Sawett, Jerome K. Jerome, Gilbert Parker, Mary J. Hawk, "Lonesome Fencer," Berry Pain, Paul Bunyon, etc., etc., etc.
